Gen 1:26,27,28 to fruitful

¶¶And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

So God created man in his own image, in the image of God created he him; male and female created he them.

And God blessed them, and God said unto them, Be fruitful,

Matt 5:14,16

Ye are the light of the world. A city that is set on an hill cannot be hid. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.

Matt 5:48

Be ye therefore perfect, even as your Father which is in heaven is perfect.

Matt 6:10

Thy kingdom come. Thy will be done in earth, as it is in heaven.

Matt 5:3-11

Blessed are the poor in spirit: for theirs is the kingdom of heaven. Blessed are they that mourn: for they shall be comforted. Blessed are the meek: for they shall inherit the earth. Blessed are they which do hunger and thirst after righteousness: for they shall be filled. Blessed are the merciful: for they shall obtain mercy. Blessed are the pure in heart: for they shall see God. Blessed are the peacemakers: for they shall be called the children of God. Blessed are they which are persecuted for righteousness' sake: for theirs is the kingdom of heaven. Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake.

Matt 22:37,38,39,40

Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbour as thyself.

On these two commandments hang all the law and the prophets.

Matt 7:6,15,16,17

¶¶Give not that which is holy unto the dogs, neither cast ye your pearls before swine, lest they trample them under their feet, and turn again and rend you.

¶¶Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit.

Matt 17:11

And Jesus answered and said unto them, Elias truly shall first come, and restore all things.

Duet 4:35

Unto thee it was shewed, that thou mightest know that the Lord he is God; there is none else beside him.

### ***Science and Health with Key to the Scriptures by Mary Baker Eddy***

SH 136:1-2

Jesus established his church and maintained his mission on a spiritual foundation of Christ-healing.

SH 138:6

It was now evident to Peter that divine Life, Truth, and Love, and not a human personality, was the healer of the sick and a rock, a firm foundation in the realm of harmony. On this spiritually scientific basis Jesus explained his cures, which appeared miraculous to outsiders. He showed that diseases were cast out neither by corporeality, by materia medica, nor by hygiene, but by the divine Spirit, casting out the errors of mortal mind. The supremacy of Spirit was the foundation on which Jesus built. His sublime summary points to the religion of Love.

SH 430:6

Faith should enlarge its borders and strengthen its base by resting upon Spirit instead of matter. When man gives up his belief in death, he will advance more rapidly towards God, Life, and Love. Belief in sickness and death, as certainly as belief in sin, tends to shut out the true sense of Life and health. When will mankind wake to this great fact in Science?

SH viii:12-16

The question, What is Truth, is answered by demonstration, — by healing both disease and sin; and this demonstration shows that Christian healing confers the most health and makes the best men. On this basis Christian Science will have a fair fight.

SH 182:15

The hypotheses of mortals are antagonistic to Science and cannot mix with it. This is clear to those who heal the sick on the basis of Science.

SH 201:17-2

The way to extract error from mortal mind is to pour in truth through flood-tides of Love. Christian perfection is won on no other basis.

Grafting holiness upon unholiness, supposing that sin can be forgiven when it is not forsaken, is as foolish as straining out gnats and swallowing camels.

SH 356:9-11

Jesus reasoned on this subject practically, and controlled sickness, sin, and death on the basis of his spirituality.

SH 272:3-5

The spiritual sense of truth must be gained before Truth can be understood. This sense is assimilated only as we are honest, unselfish, loving, and meek.

SH 182:30

To admit that sickness is a condition over which God has no control, is to presuppose that omnipotent power is powerless on some occasions. The law of Christ, or Truth, makes all things possible to Spirit; but the so-called laws of matter would render Spirit of no avail, and demand obedience to materialistic codes, thus departing from the basis of one God, one lawmaker. To suppose that God constitutes laws of inharmony is a mistake; discords have no support from nature or divine law, however much is said to the contrary.

SH 124:14

The universe, like man, is to be interpreted by Science from its divine Principle, God, and then it can be understood; but when explained on the basis of physical sense and represented as subject to growth, maturity, and decay, the universe, like man, is, and must continue to be, an enigma.

SH 94:28

Our Master read mortal mind on a scientific basis, that of the omnipresence of Mind. An approximation of this discernment indicates spiritual growth and union

with the infinite capacities of the one Mind. Jesus could injure no one by his Mind-reading. The effect of his Mind was always to heal and to save, and this is the only genuine Science of reading mortal mind. His holy motives and aims were traduced by the sinners of that period, as they would be to-day if Jesus were personally present. Paul said, "To be spiritually minded is life." We approach God, or Life, in proportion to our spirituality, our fidelity to Truth and Love; and in that ratio we know all human need and are able to discern the thought of the sick and the sinning for the purpose of healing them. Error of any kind cannot hide from the law of God.

SH 60:24

An ill-attuned ear calls discord harmony, not appreciating concord. So physical sense, not discerning the true happiness of being, places it on a false basis. Science will correct the discord, and teach us life's sweeter harmonies.

SH 67:30

Systems of religion and medicine treat of physical pains and pleasures, but Jesus rebuked the suffering from any such cause or effect. The epoch approaches when the understanding of the truth of being will be the basis of true religion. At present mortals progress slowly for fear of being thought ridiculous. They are slaves to fashion, pride, and sense. Sometime we shall learn how Spirit, the great architect, has created men and women in Science. We ought to weary of the fleeting and false and to cherish nothing which hinders our highest selfhood.

SH 134:21

The true Logos is demonstrably Christian Science, the natural law of harmony which overcomes discord, — not because this Science is supernatural or preternatural, nor because it is an infraction of divine law, but because it is the immutable law of God, good. Jesus said: "I knew that Thou hearest me always;" and he raised Lazarus from the dead, stilled the tempest, healed the sick, walked on the water. There is divine authority for believing in the superiority of spiritual power over material resistance.

SH 243:30

Sickness, sin, and death are not the fruits of Life. They are inharmonies which Truth destroys. Perfection does not animate imperfection. Inasmuch as God is good and the fount of all being, He does not produce moral or physical deformity; therefore such deformity is not real, but is illusion, the mirage of error. Divine Science reveals these grand facts. On their basis Jesus demonstrated Life, never fearing nor obeying error in any form.

SH 192:27

We walk in the footsteps of Truth and Love by following the example of our Master in the understanding of divine metaphysics. Christianity is the basis of true healing. Whatever holds human thought in line with unselfed love, receives directly the divine power.

SH 178:18

Mortal mind, acting from the basis of sensation in matter, is animal magnetism; but this so-called mind, from which comes all evil, contradicts itself, and must finally yield to the eternal Truth, or the divine Mind, expressed in Science. In proportion to our understanding of Christian Science, we are freed from the belief of heredity, of mind in matter or animal magnetism; and we disarm sin of its imaginary power in proportion to our spiritual understanding of the status of immortal being.

SH 558:9

This angel or message which comes from God, clothed with a cloud, prefigures divine Science. To mortal sense Science seems at first obscure, abstract, and dark; but a bright promise crowns its brow. When understood, it is Truth's prism and praise. When you look it fairly in the face, you can heal by its means, and it has for you a light above the sun, for God "is the light thereof." Its feet are pillars of fire, foundations of Truth and Love. It brings the baptism of the Holy Ghost, whose flames of Truth were prophetically described by John the Baptist as consuming error.

SH 585:9

Elias. Prophecy; spiritual evidence opposed to material sense; Christian Science, with which can be discerned the spiritual fact of whatever the material senses behold; the basis of immortality.

SH 259:6

In divine Science, man is the true image of God. The divine nature was best expressed in Christ Jesus, who threw upon mortals the truer reflection of God and lifted their lives higher than their poor thought-models would allow, — thoughts which presented man as fallen, sick, sinning, and dying. The Christlike understanding of scientific being and divine healing includes a perfect Principle and idea, — perfect God and perfect man, — as the basis of thought and demonstration.

SH 339:25

The basis of all health, sinlessness, and immortality is the great fact that God is the only Mind; and this Mind must be not merely believed, but it must be understood. To get rid of sin through Science, is to divest sin of any supposed

mind or reality, and never to admit that sin can have intelligence or power, pain or pleasure. You conquer error by denying its verity. Our various theories will never lose their imaginary power for good or evil, until we lose our faith in them and make life its own proof of harmony and God.

SH 555:16

Searching for the origin of man, who is the reflection of God, is like inquiring into the origin of God, the self-existent and eternal. Only impotent error would seek to unite Spirit with matter, good with evil, immortality with mortality, and call this sham unity man, as if man were the offspring of both Mind and matter, of both Deity and humanity. Creation rests on a spiritual basis. We lose our standard of perfection and set aside the proper conception of Deity, when we admit that the perfect is the author of aught that can become imperfect, that God bestows the power to sin, or that Truth confers the ability to err. Our great example, Jesus, could restore the individualized manifestation of existence, which seemed to vanish in death. Knowing that God was the Life of man, Jesus was able to present himself unchanged after the crucifixion. Truth fosters the idea of Truth, and not the belief in illusion or error. That which is real, is sustained by Spirit.
